1
00:00:00,000 --> 00:00:01,503
Clint Curtis Election Integrity expert Democrat Attorney:
There was a race down in Georgia,

2
00:00:01,967 --> 00:00:05,032
a lady lost, came in last place.

3
00:00:05,623 --> 00:00:10,050
She was checking through, and in her
precinct she got no votes, and she

4
00:00:10,052 --> 00:00:12,763
was sure that she voted for herself.

5
00:00:13,319 --> 00:00:15,225
And she kind of hoped her husband did too.

6
00:00:16,022 --> 00:00:16,983
But you never know that, right?

7
00:00:16,985 --> 00:00:17,240
Yeah.

8
00:00:17,365 --> 00:00:19,724
So anyway, she asked us.

9
00:00:19,789 --> 00:00:21,049
So they, they checked it by hand.

10
00:00:21,071 --> 00:00:24,432
They went in, found out they had
miscounted everything in her race, and

11
00:00:24,433 --> 00:00:26,906
she actually won by thousands of votes.

12
00:00:28,362 --> 00:00:30,041
What do you think would

have happened after that?

13
00:00:30,074 --> 00:00:32,811
They would've checked the other
races, checked the other machines.

14
00:00:33,550 --> 00:00:34,134
Didn't happen.

15
00:00:34,147 --> 00:00:35,288
Well, your race is fixed.

16
00:00:35,657 --> 00:00:36,203
Moving on.

17
00:00:37,715 --> 00:00:39,067
And that's what happens every time.

18
00:00:39,348 --> 00:00:44,160
It's like, "Oh, that must be an input
error. That must be a crow flew overhead

19
00:00:44,175 --> 00:00:45,160
while I was programming." Mm-hmm.

20
00:00:45,173 --> 00:00:45,888
Something, right?

21
00:00:46,263 --> 00:00:47,953
Just make an excuse and move on.

22
00:00:48,165 --> 00:00:52,029
So the machines are caught all
the time, it just doesn't matter.

23
00:00:52,686 --> 00:00:53,982
They don't pay any attention to it.

24

00:00:54,920 --> 00:00:55,356
Jeannette Wrobel Lehigh County Committee person:
Yeah.

25
00:00:55,820 --> 00:00:56,205
Yeah.

26
00:00:56,396 --> 00:00:58,583
I mean, and that's same, same issue.
