1
00:00:00,049 --> 00:00:02,647
Clint Curtis Election Integrity expert Democrat Attorney:
Germany, 65 million people

2
00:00:02,728 --> 00:00:04,187
hand count one night.

3
00:00:04,807 --> 00:00:06,980
All you have to do is you have
to have 1% of the people that

4
00:00:06,982 --> 00:00:08,711
are voting do the hand count.

5
00:00:09,660 --> 00:00:10,381
That's the key.

6
00:00:10,429 --> 00:00:13,959
And if you get that through, um,
what they use is basically the

7
00:00:13,961 --> 00:00:15,610
same system we use for jury pools.

8
00:00:15,939 --> 00:00:20,048
Draw people in, you're gonna count that
night, but you don't have to do jury duty.

9
00:00:20,135 --> 00:00:22,386
And so in Germany, you get more
people signing up to hand count

10
00:00:22,386 --> 00:00:25,025
than you ever do to jury duty 'cause
they don't wanna do jury duty.

11
00:00:25,929 --> 00:00:26,427
Who does?

12
00:00:26,837 --> 00:00:30,942
That's how I redesign it, not just
Pennsylvania, but all across the country.

13
00:00:32,054 --> 00:00:32,483
Jeannette Wrobel Lehigh County Committee person:
Mm-hmm.

14
00:00:32,762 --> 00:00:34,896
Bob Rust Attorney Host: Jeanette, how
would you follow up on that answer?

15
00:00:37,826 --> 00:00:40,396
Jeannette Wrobel Lehigh County Committee person:
I mean, all I c- we just had the mail-in

16
00:00:40,397 --> 00:00:45,087
ballot bo- the scan boxes now, those
Renbek boxes now just, just, just

17
00:00:45,097 --> 00:00:47,704
br- brought in, um, to Lehigh County.

18
00:00:47,704 --> 00:00:48,785
That's starting in a couple weeks.

19
00:00:48,788 --> 00:00:49,528
That was just put in.

20
00:00:49,528 --> 00:00:52,161
So there's many things that are
feeling very much out of control.

21
00:00:52,471 --> 00:00:56,028
Um, and it's gonna be a few cycles,
like he said, because I mean, even

22
00:00:56,028 --> 00:00:58,589
these are now in place till 2030.

23
00:00:58,892 --> 00:01:02,125
So one thing I can say is we are getting
more people from the community showing up

24
00:01:02,125 --> 00:01:03,778
and, and saying things and doing things.

25
00:01:03,779 --> 00:01:08,144
So maybe if there's a possible way
for me to know how to get that camera

26
00:01:08,154 --> 00:01:11,447
for here, or is that something we
just have to have passed in, in our

27
00:01:11,448 --> 00:01:15,640
commissioner meeting or something like
that for to have that camera here?

28
00:01:15,645 --> 00:01:15,800
It

29
00:01:15,818 --> 00:01:16,211
Bob Rust Attorney Host: is.

30
00:01:17,020 --> 00:01:18,310
Clint Curtis Election Integrity expert Democrat Attorney:
It is, and they're dirt cheap.

31
00:01:18,401 --> 00:01:23,020
Basically all we use are cellphone
cameras because they're really

32
00:01:23,022 --> 00:01:25,141
good cameras, but you don't even
have to have a good cellphone.

33
00:01:25,519 --> 00:01:28,828

They don't have to be connected to
anything 'cause you use this through a

34
00:01:28,869 --> 00:01:33,688
program called DroidCam, which will send
it out to a computer, and you can live

35
00:01:33,688 --> 00:01:35,591
stream it or do anything you want with it.

36
00:01:36,002 --> 00:01:38,749
And you can get phones with cameras,
phones that aren't necessarily

37
00:01:38,753 --> 00:01:40,659
good… You can see A12's best.

38
00:01:41,246 --> 00:01:42,998
Good cameras, 40 megapixels.

39
00:01:43,111 --> 00:01:44,366
You can get them for, like, 30 bucks.
